Important Information

This plan does not include coverage for hospital visits, surgeries, laboratory examinations or prescription drugs. This plan only provides coverage for four physician office visits per calendar year for illness or injury and preventive care services such as well woman exams and annual check-ups with labs. For a complete list of preventive services covered by this plan, visit www.healthcare.gov/coverage/preventive-care-benefits.

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact Assured Benefits Administrators at 1-800-247-7114. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at www.abadmin.com or call 1-800-247-7114 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Preventive care and primary care services are covered.	This plan only covers certain preventive services without cost-sharing . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	Not applicable.
What is the out-of-pocket limit for this plan ?	Not applicable.	Not applicable.
What is not included in the out-of-pocket limit ?	Not applicable.	Not applicable.
Will you pay less if you use a network provider ?	Yes. For a list of PHCS providers, visit www.phcs.com or call 1-800-922-4362.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	Not covered.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
